PROFILE

I am a Graphic Designer with an avid interest in learning new approaches to design and creating positive and interesting work.

EDUCATION

2005–2008

BFA In Graphic Design
The University of the Arts
Philadelphia PA

2000–2003

AST In Graphic Design
Art Institute of Philadelphia
Philadelphia PA

AWARDS & WORKSHOP

Fall 2005–Fall 2008

CRW Award for Excellence in Typography, 2008
Glassberg Scholarship Award for Graphic Design, 2007
Junior Workshop with Steff Geissbuhler, C&G Partners, 2007
Promising Artist Award for University of the Arts, 2007

DESIGN EXPERIENCE

Summer 2008–Summer 2009

Poulin + Morris

Designer;

In my position as a designer, I have learned to apply my knowledge and theory of design to a wide range of projects including environmental graphics programs and wayfinding, website design, and design systems while learning key fundamentals to design and typography. I have also learned the key to being a successful and inspired designer is organization and time management.

DESIGN EXPERIENCE

Fall 2005–Fall 2008

The University of the Arts

Teaching Assistant; Pre-College Program;

As a teaching assistant I learned the importance of teaching design to high school students including software and principles of good design. I also learned a positive, structured plan is the best approach to solving a problem.

Summer 2006–Summer 2007

Cerealart

Intern & Production Artist;

As an intern and production artist, I learned the process where the product designer interacts with a contemporary artist in promoting their work. I have had the opportunity to design catalogs, packaging, and see them through to print as well as assist in producing one large project with Cerealart and Kehinde Wiley.

Summer 2006 & Spring 2007

160over90

Design Intern;

As an intern, I was given the chance to assist in the smaller production aspects of larger projects. Responsibilities included image retouching, editing, file organization, and witnessing the brainstorming that goes into the development of each project.

WORK EXPERIENCE

Summer & Winter 2007

GMAC Mortgage Construction Lending;

Service Representative;

My responsibilities as a service representative included helping contractors and support staff hold correct documentation for bank draws in the construction phase of a home or business.
